OBJECTIVE

A results-driven professional with a dual expertise in software development and graphic design. I am on the lookout for a challenging role where I can apply my skills in both React.js and React Native, contributing to the creation of cutting-edge web and mobile applications. Proficient in Corel Draw, Adobe Illustrator, Adobe Photoshop for graphic design, along with Figma and Adobe XD for prototyping, I bring a unique blend of technical acumen and creative flair to every project. Seeking a dynamic and collaborative environment where I can further enhance my skills and deliver impactful solutions.
